

## Contact and Passport Information

Dear colleagues,

Kindly ask you to pay attention to the territory of IRAN:

From the nearest time Ukraine International Airlines is improving procedure of passenger check-in at the airport. Due to this reason we remind you about high importance of inserting direct contacts and passport data of the passenger into the PNR . Agents refusing to provide it, should be warned. Please do the following:

For the mobile phone number inserting:

Amadeus: OS PSCTCM38050XXXXXX or SRCTCM-1234567

For Contact number of the passenger it's necessary to add in the format: 38050XXXXXX (without "+" but with complete code of the country and mobile operator code)

It's prohibited to use gaps, dashes, commas as separator of different numbers (for example, 38050XXXXXX 38067YYYYYYY) or just in the phone number (for example, +38-050-382-42-46)

For inserting e-mail data:

Amadeus: OS PSCTCE TEST//TEST.com or

SRCTCE-TEST//TEST.com

Special symbols should be exchanged in the following way:

«@» should be changed to «//»

«\_» should be changed to «..»

«-» should be changed to «./»

In case of passengers refusal to disclose own contact data :

Amadeus: OS PSCTCPSGR REFUSED TO SHARE DIRECT CTC/ACCEPTED LIMITED AIRLINE RESPONSIBILITY

For inserting passport data:

Amadeus

SR DOCS YY HK1-P-GBR-012345678-GBR-30JUN73-M-14APR09-JOHNSON- SIMON-H/P1/S3

Thank you in advance for using this important information.
