| Ticketed date | <ul style="list-style-type: none"> Tickets issued on/before 30 April 2021 |
| Options available | <ul style="list-style-type: none"> Changes Refund to original form of payment |

| Changes |
|--|
| <p>Core Guidelines</p> <ul style="list-style-type: none"> May keep unutilized ticket coupons open as long as unutilized segments are cancelled from the PNR For fully unutilized tickets, may use unutilized value within 2 years from original ticket issue date; please ensure that maximum stay does not exceed more than 1 year and all travel is completed by 31 December 2021 For partially utilized tickets, please ensure that maximum stay does not exceed more than 1 year and all travel is completed by 31 December 2021 |
| <p>Guidelines For Changing Ticketed Date</p> <ul style="list-style-type: none"> If re-issuing without any fare difference including taxes, fees, charges and surcharges: <ul style="list-style-type: none"> Rebook in the same ticketed RBD as original (within the same cabin and OAL) and flights as permitted according to original ticketed fare basis May waive rebooking fee May waive original ticketed fare basis conditions (i.e. advance purchase, MIN/MAX stay, transit/stopover, day/time rule, etc) May waive any difference of fare, taxes, fees, charges and surcharges; however, fare, taxes, fees, charges and surcharges difference applies if original ticketed seasonality and/or blackout/travel date is not followed Please carry forward original fare calculation and fare family attributes (e.g. free baggage allowance) May change unutilized outbound & inbound on the same ticket within one transaction Please update “COVID COMM1060” at beginning of Endorsements Box Any residual value is non-refundable and non-exchangeable May waive no-show conditions and penalties if the segment(s) is cancelled made more than 1 hour prior to departure For travel to Australia within 3 days prior to original travel date from point of origin, fare basis conditions are applicable where rebooking, no-show fees, as well as difference in fare, taxes, fees, charges and surcharges apply If re-issuing with fare difference including taxes, fees, charges and surcharges: <ul style="list-style-type: none"> May waive rebooking fee |

- Please apply new fare basis conditions, including applicable RBD
- Please requote and collect any applicable difference of fare, taxes, fees, charges and surcharges
- Please update new fare calculation and fare family attributes (e.g. free baggage allowance)
- Please update “COVID COMM1060” at beginning of Endorsements Box
- Any residual value is non-refundable and non-exchangeable
- May waive no-show conditions and penalties if the segment(s) is cancelled made more than 1 hour prior to departure
- For travel to Australia within 3 days prior to original travel date from point of origin, fare basis conditions are applicable where rebooking, no-show fees, as well as difference in fare, taxes, fees, charges and surcharges apply

Guidelines For Changing Ticketed Route

- If re-issuing onto an alternative origin and/or destination:
 - May use unutilized value of original ticket
 - May waive rebooking fee
 - Please apply new fare basis conditions
 - Please requote and collect any applicable difference of fare, taxes, fees, charges and surcharges
 - Please update new fare calculation and fare family attributes (e.g. free baggage allowance)
 - Open-jaw permitted; must advise customer that Qatar Airways will not cover travel expenses incurred from/to rerouted point including surface transport, hotel, etc
 - Please update “COVID COMM1060” at beginning of Endorsements Box
 - Any residual value is non-refundable and non-exchangeable
 - May waive no-show conditions and penalties if the segment(s) is cancelled made more than 1 hour prior to departure
 - For travel to Australia within 3 days prior to original travel date from point of origin, fare basis conditions are applicable where rebooking, no-show fees, as well as difference in fare, taxes, fees, charges and surcharges apply

Guidelines For Changing Ticketed Segments Changed to UN Status or TK Status Resulting In Misconnection

- For any ticketed segments that meet any of the following criteria:
 - Ticketed segment cancellations resulting with UN status
 - Flight retiming resulting in ticketed segment(s) with TK status where the newly timed flight causes a minimum connecting time (MCT) violation or misconnection
- You may re-issue to ticket using the following guidelines:
 - May rebook onto alternative **QR operated flight(s)** that are:
 - on the same route
 - within the same country as original embarkation and/or disembarkation point
 - within 500 international miles (TPM) from original embarkation and/or disembarkation point
 - Rebook into same RBD as original or if not available, into the lowest available RBD within same cabin
 - May waive original ticketed fare basis conditions (i.e. advance purchase, MIN/MAX stay, transit/stopover, day/time rule, etc)
 - May waive any difference of fare, taxes, fees, charges and surcharges; however, fare, taxes, fees, charges and surcharges difference applies if original ticketed seasonality and/or blackout/travel date is not followed
 - May waive no-show conditions and penalties
 - Please carry forward original fare calculation and fare family attributes (e.g. free baggage allowance)
 - May change unutilized outbound & inbound on the same ticket within one transaction
 - Please use “INVOL COVID COMM1060” at beginning of Endorsement Box

- For OAL, kindly contact Qatar Airways; Depending on market, this is handled by the Trade Helpdesk, Reservations or Sales Representatives

Refund To Original Form Of Payment

Guidelines

- Refund unutilized value to original form of payment within 2 years from departure date shown on last coupon
- May waive refund penalty
- Applies to refundable and non-refundable fares (tickets), Q and stopover surcharges, YQ/YR charges
- Non-refundable unutilized taxes (except YQ/YR charges) remain non-refundable
- May waive no-show conditions and penalties only if the following conditions are met:
 - Ticketed segment cancelled resulting with UN status
 - Flight retimed resulting in ticketed segment(s) with TK status where the newly timed flight causes a minimum connecting time (MCT) violation or misconnection
 - Segment is cancelled more than 1 hour prior to departure for all flights except those to Australia where this must be done more than 3 days prior to departure from point of origin
- No-show penalty should not be deducted from YQ/YR charges
- Calculate unutilized value based on unutilized NUC, taxes, fees, charges and surcharges. See example calculation below where outbound has been utilized and inbound remains unutilized. NUC 561.47 of inbound may be refunded to the original form of payment
LON QR X/DOH QR SYZ 461.47 QR X/DOH QR LON 561.47NUC1022.94
- For complex exchange scenarios, side-trips, end-on-end combinations, partial utilizations, kindly contact a Qatar Airways sales representative.
- Refund must be processed in GDS.

Frequently Asked Questions (FAQs)

| | |
|--|---|
| Are multiple changes permitted? | Yes. |
| Are refunds of previously paid change and/or no-show fees and/or paid additional collection allowed? | No. Refunds of previously paid change and/or no-show fees and/or paid additional collection are not allowed. |
| Are refunds of any fare difference in case of cabin class downgrade allowed? | Yes. If a downgrade in cabin class (i.e. from J to Y) is required, a refund of the fare difference is permitted to the original form of payment. |
| How are ancillaries covered under this policy? | <p>Ancillaries when changes have been made to ticket more than 1 hour prior to flight departure:</p> <ul style="list-style-type: none"> • Please re-associated EMD to new itinerary • Permitted free of charge for preferred seats, baggage <p>Ancillaries when changes have been made to ticket less than 1 hour prior to departure:</p> <ul style="list-style-type: none"> • Will be considered as no-show and EMD will be forfeited <p>Ancillaries associated to tickets that have been cancelled as per policy:</p> <ul style="list-style-type: none"> • May refund unutilized ancillary value for preferred seats, baggage |

| | |
|---|---|
| Are upgrades to higher cabins possible? | Yes. Upgrades are permitted provided that the difference of applicable fare, taxes, fees, charges and surcharges are collected and fare basis conditions adhered. In such case, change fees will be waived. |
| Are name changes permitted? | No. Name changes are not permitted. |
| Will difference of fare, taxes, fees, charges and surcharges be waived if rebooking (re-issuing) to a new departure date resulting in the passenger PTC to change (i.e. infant to child; child to adult)? | Difference of fare, taxes, fees, charges and surcharges applies. You may only waive the difference of fare, taxes, fees, charges and surcharges when the PTC changes after commencement of travel of the new departure date (as permitted by this policy) for ticketed segments that meet the following criteria: <ul style="list-style-type: none"> • Ticketed segment cancellations resulting with UN status • Flight retiming resulting in ticketed segment(s) with TK status where the newly timed flight causes a minimum connecting time (MCT) violation or misconnection |
| Is the policy applicable to group bookings? | Yes. Kindly contact your local sales representative who will be happy to assist in servicing such bookings. |
| How will the Stopover product be managed? | For stopover bookings made through Discover Qatar (DQ), kindly contact a DQ representative. If bookings require immediate attention, kindly contact QRH. |
| Are EMD vouchers issued under previous versions of the Qatar Airway policy refundable? | Fully unutilized vouchers (EMD TRNS – Good For Further Transportation) issued under previous versions of the Passenger Guidelines (including COMMI052, COMMI059 or COMMI060) may be refunded to the original form of payment. However, the associated non-refundable unutilized taxes (except of fully unutilized YQ, YR charges) and the 10% added value as provided by Qatar Airways shall not be refunded to the original form of payment. Partially utilized vouchers (split EMD) is not refundable. |
| Are COVID-19 PCR tests required to board flights? | This is required for passengers departing on QR operated flights from Armenia, Bangladesh, Brazil, Iran, Iraq, Pakistan, Philippines, Sri Lanka and Tanzania (the latter effective 2 nd March 2021). Children under 12 years of age travelling with family members are exempt from this requirement. Test results must be issued within 96 hours prior to flight departure from an authorized laboratory. A list of approved laboratories are available at: https://qatarairways.zendesk.com/hc/en-us/articles/360011693537-Where-do-I-need-to-get-the-PCR-test-done- In addition to the negative test, passengers are required to complete and submit a consent form at check-in. The form is available at: https://www.qatarairways.com/content/dam/documents/QR-consent-form-PCR.pdf |
