

## Recall Purged PNRs

Amadeus provides you a method to recall PNRs that were previously purged from system. You can recall purged PNRs by using Amadeus Record Locator, Flight number, date of travel and ticket number.

Here you can find some samples:

RPD/RLC-5BS6BQ\*Q  
RPD/EK0914/03OCT10-AMINI/BITA MRS\*Q  
RPD/TKT-1762408212947\*Q

System response:

ACCEPTED

This method is called offline and the result will be placed on queue 96, within 48 hours. The recalled PNR contains the body of PNR, history and TST.
