

Dear colleagues,

Kindly take into account that there will be no technical possibility to close the PNR in GDS Gabriel without entering the contacts CTM/CTE the soonest time.

Formats of entering are still the same:

E-mail - CTE/XXXX@XXXX,

Mobile – CTM/XXXXXXXX

And also insert Time limited as below otherwise it may cost for pending reservation after time pass;
TKX/TL/TIME/DATE

These fields are strictly required and the lack or non-valid data will serve as a pretext for issuing ADM .

Kind Rgds
