

Plan your Trip to Venice!

Escape to the dream called Venice, the city of canals that managed to challenge, with its outstanding, water beauty, the skills of Charles Dickens: "for the first time I visited a place I am afraid to describe". The ethereal and delicate city of Doges travels in its own time and space floating on the 117 islands of the Adriatic lagoon, drifting between reality and fantasy. Fly with Aegean Airlines for Serenissima with its carnevale - extravaganza, the water city of Casanova, Tintoretto and Marco Polo
