

## Plan your Trip to Tirana!

Let Aegean fly you to the Balkans' best-kept secret and enjoy a stay in a surprising destination, currently going through the most outward-looking and hospitable phase in its history. Although there are traces of human settlement dating back to prehistoric times, the truth is that Tirana the city is relatively recent in date. It was founded by Suleiman Pasha in 1614, adorned with a mosque, a bathhouse and famous bazaar, but only made the capital of Albania in 1920.
