

Plan your Trip to Bucharest!

A city of huge parks, broad boulevards and impressive Belle Epoque architecture, Bucharest has figured in recent years on lists of the world's increasingly popular tourist destinations. Built on the plains which stretch from the feet of the Carpathian mountains to the Danube, the city is said to have been founded by a certain Bucur (the word means 'joy'), who was a shepherd particularly popular with the local people. The Bucharest of today has a European ambiance, with restored buildings adorning the old city centre, historic monuments, beautiful neighbourhood districts and a lively nightlife. Book an Aegean flight to Bucharest and get to know the contemporary face of Romania.
