

Emirates seat selection

Experience more choice

Dear Industry Partners,

On all tickets issued on/after 20 August 2017, Economy Class customers will be offered an even broader range of seat choices with the introduction of extra value seats.

Generally **in Economy Class**, customers can pay to select a seat in advance or **enjoy complimentary seat selection when online check-in opens 48 hours before your flight.**

In Business Class or First Class, customers will enjoy complimentary seat selection anytime.

Extra Value Seats are defined as:

1. **Extra Legroom** - exit row seats
2. **Twin** - seats at the back of the Boeing 777 and on the upper deck of the A380 2 class
3. **Preferred** - closer to the front of the plane for faster disembarkation, in smaller cabin sections, on the upper deck of A380, etc

All remaining seats will be marketed as **Regular**.

Seats are chargeable at new rates depending on the fare brand or RBD and the seat type.

Customers booking Economy Class Special or Economy Class Saver fares will need to pay the charge for Regular and Extra Value Seats if they want to choose their seat before check-in opens.

This will apply to the following RBD's, on both revenue and redemption bookings: X, V, T, L, Q, and N.

Customers booking Economy Flex, Flex Plus and any other RBD not mapped to Special or Saver in Economy Class will be able to book Regular seats free of charge. Extra Value Seats will incur cost.

Interline bookings can be serviced and charged for seats. Seat payment is not permitted on codeshare PNRs except for QF and B6.
