

## Frequency change to our Tehran service

EY/INFO/170050

16 November 17

Dear Trade Partner,

Please be advised that we have reduced the frequency and changed the aircraft on our Abu Dhabi to Los Angeles route.

From 15 January 2018 to 30 April 2018, the route will be operated four times weekly and will revert back to daily on 1 May 2018.

The aircraft will be changed from the current Boeing 777-200LR (239 seats) to Boeing 777-300ER aircraft (328 seats)

Schedule:

Los Angeles schedule 15 January 2018 to 30 April 2018
