

Istanbul, August 4th, 2017

Turkish Airlines' cross-continental flights are more comfortable now with the baby packs specially designed to meet the needs of families who fly with babies.

Having the passenger satisfaction as a priority, Turkish Airlines continues to bring innovation to the unmatched travel experience, offered by the carrier.

The airline has now started to provide specially designed baby packs in order to make its cross-continental flights more comfortable for the families who fly with their babies (0-2 ages), as of August 2017.
