

# Emirates flying to Toronto

## With A380

### 5 times a week starting August 18

Emirates will introduce two additional flights to its Toronto (YYZ) service, complementing its existing schedule and providing even more choice and convenience to travellers.

The additional Toronto flights will be introduced on August 18 2018 and will operate on a Saturday departing Dubai as EK241 at 03:30 and arrive in Toronto at 09:30. The return flight, EK242, leaves Toronto at 14:25 and arrives in Dubai at 11:40 the next day. On Sundays, EK241 will depart at 03:30 and arrive in Toronto at 09:30. The return flight, EK242, will leave Toronto at 14:30 and arrives in Dubai at 11:25 the next day.\* Both flights will be operated by the iconic Emirates A380 with private suites in First Class, lie flat seats in Business Class and spacious seats in Economy Class.

Emirates is currently the only airline operating the A380 out of Toronto and takes great pride in providing best-in-class service for both business and leisure passengers in Canada.

#### Greater choice and connectivity

The additional flights will give travellers from Toronto and from across Emirates' network, even more choice and connectivity when booking their travel via the Dubai hub. It will help to further boost inbound tourism for Canada and meet growing demand from travellers from key destinations such as Iran. Passengers from Canada will also be able to take advantage of the additional flights to travel to popular destinations like Tehran.

#### Emirates codeshare Partnerships

Emirates also has established codeshare partnerships in Canada with WestJet and Alaska Airlines, connecting travellers from across its global network to more Canadian cities and vice-versa as per below table:
