

Date: 07 JUL 2020

No. 42020

Dear Trade Partners,

Passengers travelling from Pakistan to Dubai and beyond on Emirates must present a negative COVID 19 PCR test result certificate at the time of check-in. The PCR test must be taken up to 4 days prior to the travel date (96 hrs maximum) and must be conducted at the Emirates authorised Health Centre below at the passenger's expense.

Chughtai Labs: Tel +92-311-1456789  
Email: info@chughtailab.com

Passengers must bring their Emirates booking and passport to the test lab. Children under 12 years old are exempt from taking the PCR test if they are travelling with their parents who have tested negative and are fit to travel.

All information has been updated on our website please click [here](#) for the relevant information.
