

It's time for your clients to discover San Francisco

We are pleased to announce the launch of four weekly flights to San Francisco starting 15 December 2020, offering more options to our passengers travelling to the USA with 55 weekly flights to nine gateways.

Your clients can fly with us safely to San Francisco and step into a new world of possibilities. Whether they are travelling for business, education or leisure, they can discover a city of abundant business opportunities, cutting edge entrepreneurship and renowned universities, or reunite with family and friends.

They can fly with us to this beautiful and experience unrivalled space and comfort on our state-of-the-art A350.

We are proud to be the leading global airline connecting passengers with the world, operating one of the youngest and most efficient and sustainable fleets to take people safely where they need to be.

Your clients can enhance their journey by upgrading to Qsuite, the most private Business Class in the skies, and discover their own world of luxury, safety and privacy.

They can book today, change if they need and travel when they are ready with greater flexibility on bookings made until 31 December 2020.*

Our strategic partnerships will take them further than ever before. They can fly to more than 200 cities across the USA through our seamless connections with American Airlines, JetBlue and Alaska Airlines.

Throughout their journey, they can expect the highest standards of hygiene and the latest security measures, whether on board or at our state-of-the-art Hamad International Airport in Doha, Qatar.
