Latest Instructions from Canadian Authority

Dear Valued Trade Partner,

As per Canadian authority requirement to pre-assess each customer holding Study/Work/Visitor's visas intending to visit Canada under any circumstances, please follow the initial procedure of asking the below questions from the respective customers and email us along with the documents and flight details as of 1 week prior to departure date, we shall liaise with relevant the authority and assist you to obtain the OK to Board.

Please provide answers underneath each question:

- What is the purpose of visit to Canada?
- What is the duration of stay?
- Is this first trip to Canada? If no, when was last entry to Canada and return to home country?
- For Work Permit holder: proof of employment and name/contact number for employer?
- For Study Permit holder: proof of registration, and proof that classes are in session and presence in Canada is required at this time?
- For Visit visa holder: who will you visit, proof of family relationship and purpose of visit?
- For all passengers: What is your quarantine plan? Provide address and whether other individuals are present at this location.

Thank you in advance for your cooperation.
