More flights across Qatar Airways network

Dear Valued Trade Partner,

Qatar Airways is the world's largest airline currently operating and the only experienced international airline that has safely and reliably flown people during these uncertain times. We have been there, and we will continue to be there as an airline you can trust.

We are pleased to announce the below enhancement of our operations**

America

New York (JFK)	19 June 2020	3 flights weekly
----------------	--------------	------------------

Europe

Dublin (DUB), Milan (MXP), Rome (FCO)	13 June 2020	Daily flights
Venice (VCE)	15 July 2020	3 flights weekly

Africa

Dar es Salaam (DAR)	16 June 2020	3 flights weekly
---------------------	--------------	------------------

Middle East

Tehran (IKA)	17 June 2020	Two flights daily
--------------	--------------	-------------------

Your customers can travel with peace of mind as we are also offering them flexibility to change the travel plans to mitigate any uncertainty. They can either change the date of travel free of charge, or exchange for a future travel voucher*.

Their safety, security and well-being is our first priority. Therefore, all our crew will be wearing full-body protective gear on-board, to keep both our crew and them safe on their Qatar Airways journey.

We recommend all passengers to kindly check the information by the Government of their destination country before travelling and visit the official website of [IATA](https://www.iaa.org)

For more information please visit qatarairways.com or contact our sales team.

Qatar Airways.
