## Passenger Acceptance Restrictions

Dear Trade partners,

Following the circular 30MAR/THR-QR-914-TSS-20, please find below updates regarding passenger acceptance restrictions on Qatar Airways with onward booking on other airlines.

- Passenger travelling to a destination involving flights on other airlines can be accepted only if he/she has one QR ticket (157) all the way to the final destination if no transit restrictions.
- Passenger travelling to a destination involving flights on other airlines with two separate tickets will be only accepted to the final QR point and must have the right to enter this point.

### Example:

1. Passenger traveling IKA-DOH-LHR (QR ticket) with a connecting flight LHR-YUL (BA on a separate ticket), can only be accepted to LHR and must have immigration entry rights into the UK.
2. Passenger traveling IKA-DOH-LHR-YUL (one QR ticket), will be accepted all the way if no transit visa required to LHR.
