Travel Alert : Flights from Iran and South Korea

Dear Trade Partner,

In line with various global and local health warnings, all incoming passengers from Iran and South Korea whose final destination is Doha and are showing no symptoms of the Novel Coronavirus will be asked to stay in home isolation or a quarantine facility for 14 days.

Passengers arriving from those countries who are showing symptoms will be transferred to the Communicable Disease Centre at the Hamad Medical Corporation.

We thank our passengers for their cooperation in this matter.
