Passenger Guideline

Dear Valued Trade Partner,

As per Iranian authorities, the updated guidelines for passengers travelling to Iran is as follows:

- Suspension of Visa on Arrival facilities for passengers traveling as tourists.
- Passengers must have a medical certificate with a negative Coronavirus (COVID-19) PCR test result issued at most 96 hours before arrival and in English.
- Nationals of Iran arriving without a negative Coronavirus (COVID-19) PCR test result are subject to medical screening and quarantine for 14 days at their own expense.
- A completed self-declaration form concerning COVID-19 must be presented upon arrival.

For more information, please contact local authorities. Thank you.
