Explore our New Trade Portal

Dear Valued Travel Partner,

We are pleased to introduce our new Trade Portal with new features and latest information to make your interactions with us seamless.

Our Trade Portal features a refreshed look and feel, and is sure to enhance the way we communicate our updates to you. The enriched and user-friendly portal will feature travel alerts, up-to-date information on our products and services, latest news, policies and ticketing guidelines.

We have removed the need to login or register, so you can access the information quicker.

Some of the new features are highlighted below:

- Travel Alerts option
- Press Release updates option
- Updated Ticketing Guidelines, Policies, Ancillary & Special Services
- Support for Multiple languages (to be released shortly)

Visit qatarairways.com/tradepartners now

We are confident that our new Trade Portal will provide you an even better experience whilst doing business with us. We will communicate further enhancements soon.

For any information, please contact your local Qatar Airways sales representative.
