

Expanding our interline partnership with RwandAir

Your clients can now connect between Africa and more than **160 destinations on our combined network**, providing seamless travel options to more destinations, including **Bujumbura** and **Libreville** as well as many more through our partner's hub in **Kigali**.

Your clients can plan ahead and change if they need with **guaranteed flexibility**.*

A 5-Star COVID-19 Safety Rating from Skytrax for both Qatar Airways and Hamad International Airport, the 'Best Airport in the Middle East'.

RwandAir was the first African airline to achieve a **Diamond status in APEX Health Safety**, powered by Simplifying.

Your clients can fly further across Africa on two of the **youngest fleets in the skies**.

For more information, please contact your local Qatar Airways Sales Representative.
