Dear Valued Partner,

With immediate effect, passengers are required to present RT-PCR negative test result only if it is mandated by the authorities of their origin, transit, and destination countries.

In case of such mandatory test requirement, passengers must possess two copies of the negative RT-PCR test result and must submit it along with a filled up consent form at the time of check-in.

Download consent form:
https://www.qatarairways.com/content/dam/documents/QR-consent-form-PCR.pdf

Check Travel Entry and Requirement based on country of origin, transit, and destination:
https://www.qatarairways.com/en-ir/travel-alerts/requirements.html

Thank you.
