

Your clients can fly safely to Sudan

We are resuming our flights to **Khartoum, Sudan** via Hamad International Airport, the 'Best Airport in the Middle East', offering four weekly flights starting 11 May 2021 and increasing to daily flights from 1 June.

Your clients can fly safely with us, benefitting from reliable connectivity to over 130 destinations.

Offering the highest standards with a **5-Star COVID-19 Safety Rating from Skytrax** for both our airline and airport.

Proud to be flying one of the youngest, most efficient and sustainable fleets.

Your clients can plan ahead and change if they need with **guaranteed flexibility**.*
