Explore our enhanced Trade Portal

To provide the best user experience for you and your clients, we are pleased to continue enhancing our trade portal, offering a one-stop platform to serve your needs.

Discover the platform's revamped look and feel, including an enhanced informational hub with better visibility of our news and updates section as well as our latest smart search feature to look for what you need easily.

Our one-stop platform includes the following:

Registration

Create an account for each individual agent with access to complete services on a single platform

Self Services

Including name correction or change, fare rule waivers and more

Ticket status

Check current status of specific PNR or ticket number

E-learning

Learn more about Qatar Airways products through our online courses

Contact us

Raise an enquiry online, with responses on the same platform
