

Offset your carbon emissions and get rewarded

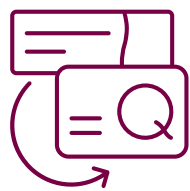

We are excited to announce that as a Beyond Business member, your corporate client can now accrue and redeem Qrewards with our voluntary carbon offset programme. This is a great way to reduce their company's carbon footprint and support sustainable projects.

Earning

They will accrue 1 Qreward for every USD 1 spent, when they choose to offset the carbon emissions for their past or future flights. All they need to do is:

- Log in to their Beyond Business account
- Access the carbon offset link on the account dashboard
- Select a period of maximum of 12 months and a minimum of 1 month to offset for completed flights
- Select up to a maximum of 5 flights, with 9 passengers each, to offset in the future
- They will be issued with a certificate, once payment has been completed, which you can download at any time
- Qrewards will be credited into the account within 7 days of payment

Redemption

They can choose to redeem their Qrewards balance by offsetting the carbon emissions against their past or future flights. All they need to do is email us at **beyondbusiness@qatarairways.com.qa** with the below information:

- The Beyond Business membership number
- What period would they like of offset for completed flights [maximum of 12 months and a minimum of 1 month]
- List of tickets or booking references for future flights [maximum of 5 flights, with 9 passengers each]
- The name of the project they wish to support

Travel consciously with Qatar Airways.
